Proceedings of the Madras Government, Revenue Department, *5th October* 1865.

Read the following letters:—

No. 85. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 9th September 1865, No. 1,406.

SIR,

With reference to G. O. No. 2,037, dated 30th August 1865, I have the honor to forward a Tabular Statement and Memorandum of the Establishment required for the Chenat Nair, Bolamputty, and Sholay Kurray Forests, for transmission to the Supreme Government.

No. 86. From Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 21st September 1865, No. 1,435.

SIR,

1. With reference to your Official Memorandum No. 130, of the 12th of September, I have the honor to inform you that, when I stated in the Tabular Statement accompanying my letter No. 1,406, of the 9th of September, that the additional expenditure proposed for an Establishment for the supervision of the Chenat Nair and Bolamputty Forests could be met from "*Local Funds,*" I meant that it would be met from savings in the Budget grant for the Anamallays, which is in the same District and under the same Officer.

2. There will be some savings under the head of "Establishments" in the Anamallays for the current year, but I anticipate considerable saving under the head "Working Charges," and it was from this item that I chiefly expected to be able to meet the additional charge of "Establishment" for Chenat Nair. By a late letter from the Secretary to the Government of India, recorded in the Government Order No. 2,168, of the 9th instant, I however perceive that transfers from one major head to another rests with the Government of India; under these circumstances the entry of "*Local Funds*" in the Tabular Statement should be altered for "*Savings from Budget grant for Establishments,*" as there will be sufficient savings during the year to meet the charge proposed.

No. 87. ORDER THEREON, 5th October 1865, No. 2,409.

Forests, No. 3.

As the Acting Conservator of Forests reports that the cost of the proposed Establishment for the Chenat Nair, Bolamputty, and Sholay Kurray Forests, amounting to Rupees 120 per mensem, can be met from savings in the Budget of the current year, the Government sanction its entertainment at once, subject to the confirmation of the Government of India, agreeably to paragraph 4 of the Financial Resolution of that Government, dated 12th August 1864, No. 1,739.

Ordered that the following letter be sent:—

No. 88.

From

W. HUDLESTON, Esq.,
Acting Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

Forests, No. 4.

1. I have the honor, under the orders of His Excellency the Governor in Council, to submit, for the sanction of the Government of India, an application in the usual form for the Establishment required for the Chenat Nair, Bolamputty, and Sholakurray Forests in the Coimbatore District.

2. The Railway Company, to whom the Chenat Nair Forests were leased, have now given them up, and the Acting Conservator of Forests proposes to have them worked by the Forest Department together with the Bolamputty and Sholakurray Forests. These tracts form a valuable belt of forest, in which Teak and Blackwood grow to a large size, and Captain Beddome adds that they will re-pay the cost of conservancy and systematic working; and that Teak may at any time be planted with a certainty of success.

3. The cost of the whole Establishment, as now proposed, will amount to Rupees 120* per mensem, and as at present one Duffadar and one Peon are employed in the Bolamputty Forests at a charge of 16 Rupees, the additional cost will be 104 Rupees per mensem; this can be met from the savings in the Budget for the current year.
