4th October 1865.*

No. 64. Read the following Circular from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department (Military Works), to the Secretary to Government of Madras, Public Works Department, dated Simla, 25th August 1865, No. 83:—

A case has lately occurred in which a private bungalow, purchased by Government to admit of its removal, was all the while temporarily occupied by an Officer. The original intention of removing the building was not carried out, and the Officer sold it, in consideration of his having expended money on it in making improvements, for a sum less than the money he had spent. In reference to this case, the Government of India desire to draw attention to paragraphs 8 and 11, Chapter of the Public Works Code, and to remark that no additions or alterations can be made in any ownership in regard to buildings; and that the Rules in the Public Works Code refer alike to all buildings, the property of Government, occupied as quarters.
