*Proceedings of the Madras Government, Revenue Department,
10th October 1865.*

No. 168. Read the following Proceedings of the Board of Revenue, dated 28th September 1865, No. 6,080.

Read again letter from the Collector of Tanjore, dated 19th July 1865, recorded in the Board's Proceedings, dated 4th August 1865, No. 4,663.

Read also the following letter from G. L. MORRIS, Esq., Collector of Tanjore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Vellum, 18th August 1865, No. 252:—

Sir,

1. With reference to the Board's Proceedings of the 4th instant, No. 4,663, I have the honor to state that on reference to the records of this office, I find that orders were sent to the Tahsildar of Mayaverum on the 20th September, directing the abolishment of the stamping Establishment at that station, and in which it is distinctly stated that the same was to take place from the 1st October. In like manner, a letter was sent to the Sub-Collector, in English, on the 21st idem, directing the Establishment at Negapatam to be discharged from the same date.

2. Orders having thus been issued previous to the date of Mr. Cadell's letter of the 24th September, directing the Establishments to be discharged from a specific date, I do not think that any good reason exists for thinking that it was Mr. Cadell's intention to have discharged them previously, and that they were retained a month longer by neglect on the part of any one else.

3. The mistake rather, as it appears to me, consisted in its having been stated in Mr. Cadell's letter above referred to, that the Establishment had at that time been actually abolished, while in point of fact, only orders had been issued for their abolishment from the next month.

4. The same mistake was repeated in Mr. Cadell's second letter of the 24th December, which was addressed with reference to bills which were submitted to the Board with the previous letter of the 24th September, and which had been necessarily made up to August.

5. I trust, therefore, the explanation will be deemed satisfactory, and that the Board will be pleased to obtain the sanction of Government for the salary paid to the two Establishments in question for September 1864, viz., Rupees 24, being passed and adjusted.

6. The sum was disbursed in the month of October 1864, and charged in the Treasury account of that month, in the column "Unadjusted."

Resolved that the foregoing letter be submitted to Government, with the Board's recommendation, that under the explanation now furnished by the Collector in his second letter above recorded, sanction be granted for Rupees 24, being the amount disbursed to the Stamping Establishments at Negapatam and Mayaverum for the month of September 1864. It appears from the Collector's letter, that the Order directing these Establishments to be discontinued, was carried out from 1st October, instead of from 1st September 1864, and that the statement made by Mr. Cadell, that the Establishments were discontinued from 1st September, was incorrect.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th August 1865.

Read the following letter from G. L. MORRIS, Esq., Collector of Tanjore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 19th July 1865, No. 215:—

1. In paragraph 4 of his letter of the 24th September last, No. 310, Mr. Cadell stated that he had abolished the Stamping Establishments in three out of the seven towns in which they had been previously entertained, and requested sanction for the salary of those retained in the remaining four towns, amounting in the aggregate to Rupees 53 per mensem. This sum was accordingly sanctioned in Government Order of date the 24th November last, No. 2,162, communicated in Board's Proceedings of the 16th December. The salary which had been paid up to August 1864 to the Establishments employed up to that month in all the seven towns, viz., Rupees 411, which remained unadjusted, was likewise subsequently sanctioned in Government Order of the 27th February last, No. 425, communicated in Board's Proceedings of the 2nd March.

2. The abolishment of the Establishments above referred to, however, was actually carried into effect in the case of two towns, Negapatam and Mayaveram, from 1st October instead of from 1st September, and thus the salary paid to the Establishments in these two towns for the month of September, viz., Rupees 24, being in addition to the sum of Rupees 411, sanctioned as mentioned above, and which was the amount of the bill made up for five months from April to August, has not been passed by the Civil Paymaster, and has consequently remained unadjusted.

3. In order, therefore, to the adjustment of the same in the Treasury account, I beg to request that the Board will be pleased to obtain the sanction of Government for the said sum of Rupees 24.

The Board observe that it is quite clear from Mr. Cadell's letters dated 24th September and 24th December 1864, that his intention was that the Establishments in the two towns of Mayaveram and Negapatam should be abolished from the 1st September, and he was evidently of opinion that this had been done. The party through whose neglect the Establishments were retained for an extra month should be held liable for the cost, and it should be recovered from him. If Mr. Morris is unable to do this, he should report further explaining in what month the amount was disbursed and charged in the Treasury account.
