*Proceedings of the Madras Government, Revenue Department,
10th October 1865.*

No. 170. Read the following Proceedings of the Board of Revenue, dated 26th September 1865, No. 6,011.

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 15th September 1865, No. 240 :—

SIR,

1. With reference to the Order of Government, No. 2,019, dated the 29th August 1865, I have the honor to report that the bridge proposed across the Venkatadiri Cottah river would be built on the most important District road in the Madura Collectorate. With the exception of the traffic through the Andipatty pass all other traffic into and out of the Cumbum valley passes over the Venkatadiri Cottah river.

2. The Venkatadiri Cottah river is very rapid, and rises suddenly at times bringing down a large body of water from the hills, and bandies are often detained thereby on the bank. At the proposed site a bridge was built some years ago, which was washed away; to re-place it, the present estimate was made; sanction to build this bridge was given in the Local Fund Budget for 1863-64, but it was not then carried out for want of funds.

Submitted to Government with reference to their Order, under date 29th August 1865, No. 2,019.

No. 171. ORDER THEREON, 10th October 1865, No. 2,453.

The estimated charge of Rupees 3,850, for constructing a bridge over the Venkatadiri Cottah river from Local Funds, is sanctioned.
