Proceedings of the Madras Government, Revenue Department,
10th October 1865.

Read the following papers:—

No. 178. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 18th July 1864, No. 63.

SIR,

1. I have the honor to submit plans and estimates in connection with the undermentioned public buildings at Pothanoor, viz. :—

	RS.
Public Bungalow	10,480
Native Chuttrum for families	5,890
Do. (general)	1,280

together with a Survey of the sites selected and demarcated for them, on account of which the Collector reports that Rupees 1,845-3-0 will have to be paid as compensation.

2. The plan of the public Bungalow having already been approved of in G. O. No. 575 of 5th April in the Revenue Department, I have acted on the instructions to take the works in hand. It will, therefore, be necessary to modify Government Order No. 1,934 of 4th July, to an extent sufficient to enable me to prosecute works necessary in themselves, and affording employment to numbers both of Sappers and of convicts, for whom I am expected to provide work. The new road to Coorchy Railway Bridge, sanctioned in G. O. No. 1,059 of 13th April, is likewise under construction, as essential for opening an approach to the Bungalow and encamping ground.

Referred to the Revenue Department. The sum standing to the credit of the Reserve is only Rupees 650.

Deputy Secretary to Government, P.W.D.

Public Bungalows
& Chattrams at
Portanoor.

The points needing
orders are these...

- Yes - The Bungalow is rather
far off but they cannot
be helped - I suppose that
a direct path can be made
to it from West End of
Ranching premises.
The

I. Do you require
of the S. C. - V. N. K.
II. Do they require
of the Plains & Esti-
mates for the Chattr
III. Where is the money
to come from?
As to thinking it ap-
pears that the P. W.
Budget of 1864/5 con-
tains no provision
for the purpose - being
in fact being prepared
before the works were
proposed - and
the Reserve is ex-

for making them de.
 cisions against the
 State - But I see no
 other course than - as
 the P.W.D. has declared
 its inability to provide
 more 10,000 Rs for
 Bungalows in the
 Hydrabad.

It will be seen
 (7. R. post: 13 July 64)
 that the Railway Co.
 is in favor of again
 putting on the sub.
 for the life time of
 their building a hotel.
 The Secy of State. how
 ever does not notice
 the subject.

J. D.

I should be disposed to send
 forward the letter from the
 Director of the R. Company
 and to back up their app.
 please to build an hotel.
 It will be far more convenient
 than a Bungalow and under
 better management.
