*Proceedings of the Madras Government, Revenue Department,
11th October 1865.*

No. 189. Read the following Proceedings of the Board of Revenue, dated 29th September 1865, No. 6,154.

Read again letter from the Collector of the Godavery District, dated 3rd August 1865, recorded in Board's Proceedings, 18th August 1865, No. 4,999.

Read also the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 30th August 1865, No. 193:—

SIR,

In reply to the Proceedings of the Board of Revenue, dated 18th instant, No. 4,999, I have the honor to state that there is no specific grant in the Budget of this year to meet the charge of Rupees 250 in question, but there may be a saving in the total amount sanctioned under "B. IV., Miscellaneous." I request, therefore, that the Board will, if convenient, sanction the amount from it.

1. Resolved that the foregoing letters be submitted to Government.
2. In the first of the above letters the Collector recommended that Alamury Appalarazu, Sub-Magistrate of Kuttapilli, should be allowed to receive Rupees 250 for Fusly 1274, as Government waste lands of that value were not made over to him until the beginning of Fusly 1275, although the Order of Government for the grant was issued on 17th March 1864, or before the commencement of Fusly 1274. On being requested from what provision in the Budget the charge can be met, the Collector now states that there is no provision in the Budget, but that the charge can be met from the saving under B. IV., Miscellaneous. The Board, however, think that the charge is properly debitable to "25, Allowances and Assignments under Treaties and Engagements," and there is no doubt that the trifling amount can be met from the savings under that head. The Board accordingly request the sanction of Government to the payment of Rupees 250.

No. 190. ORDER THEREON, 11th October 1865, No. 2,462.

Land Revenue.

Sanctioned as requested, and the charge to be debited to the Budget head "Allowances and Assignments under Treaties and Engagements," as pointed out by the Board.

*PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th August 1865.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 3rd August 1865, No. 168:—

1. In continuation of my letter to the Board of Revenue, No. 153, dated 24th ultimo, I have the honor to inform you that I have made over to Alamury Appalarazu, Sub-Magistrate of Kattapilli, Government waste lands of the value of Rupees 250 in the villages of Vetlapalem and Bikkavole for Fasli 1275. He now claims the allowance of Rupees 250 for Fasli 1274, on the ground that the Government have, on the 17th March 1864, No. 759, or before the commencement of Fasli 1274, ordered the land to be given to him.

2. Upon the receipt of the above Government Order on the 30th March, the Sub-Magistrate was directed, on 1st April 1864, to select land of the value of 250 Rupees. He accordingly chose Zirayti lands in the occupation of Ryots, and within his own jurisdiction, and forwarded to me the relinquishments of the Ryots on the 16th June 1864. Thinking that undue pressure might have been used to obtain these relinquishments, I have sent them, on the 15th July 1864, to the Head Assistant Collector, that they might be verified by the Ryots in his presence, and they were returned to me on the 6th August 1864.

3. As the lands selected by him were in his range, I considered that it would be objectionable for him to hold such, and, therefore, ordered him, on the 15th August 1864, to select waste lands in any other Taluk. He has, on the 19th November 1864, chosen such lands in the villages of Vetlapalem and Bikkavole in the Ramachendrapur Taluk. Inquiry has been made to ascertain if there was any objection to these lands being given to him. There is not, and the lands have been classified through the Settlement Department, and a report was forwarded to the Board on the 10th April 1865, No. 56, requesting permission to make over the lands to him.

4. Under the foregoing circumstances, I trust that the Board will find that no unnecessary delay has taken place on the part of Appalarazu, in his selecting lands, and I think he may be allowed to receive Rupees 250 for Fasli 1274.

The Collector will be requested to state from what item in his Budget provision he proposes to meet the charge of Rupees 250.
