*Proceedings of the Madras Government, Revenue Department,
13th October 1865.*

No. 221. Read the following Proceedings of the Board of Revenue, dated 29th September 1865, No. 6,147.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 11th September 1865, No. 189:—

SIR,

1. I have the honor to state, for the information of the Board, that the seven villages noted in the margin, and situated

Chicka Oodoomutty	...	...	...	1	in Colligal Talook in this District were,
Dodda do.	...	...	...	1	during the "Pymash Settlement," unin-
Sevakapully	...	...	...	1	habited, and that consequently all the
Cheloovanapully	...	...	...	1	lands having been left waste no village
Cooroobapully	...	...	...	1	establishment was fixed for them.
Settapully	...	...	...	1	
Alattoor	...	...	...	1	

2. The villages have since been partly re-peopled, and some of the lands have been brought under tillage. The officers of the adjacent villages perform the duties of those seven villages, and claim remuneration for the additional work thus entailed on them.

3. Their demand seems just. As some time is likely to elapse ere the proposal of the Honorable C. Pelly for the re-organization of the village establishments is finally sanctioned, I deem it right to submit a Statement, shewing the extent and assessment of Government waste lands proposed to be allotted for the payment of the above officials.

4. The aggregate extent of land recommended to be granted is Acres 246½, bearing an assessment of Rupees 22-13-4, equal to seven per cent. on the average revenue of the villages for the past five years, which amounts to Rupees 326-15-7

Two-fifths to the Monigar.	
Do. do. Curnum.	
One-fifth do. Toty.	

as particularized in the above-mentioned Statement. This rate is adopted in accordance with the principles originally followed in the case of the other villages in the Talook.

5. The village officers agree to this arrangement, and I request the Board of Revenue will be good enough to obtain the early sanction of Government to the measure.
