Proceedings of the Madras Government, Legislative Department,

11th October 1865.

No. 3. Read the following letter from E. C. BAYLEY, Esq., Secretary to the Government of India, to T. M. BUSTEED, Esq., Acting Assistant Secretary to Government, Fort Saint George; dated Simla, 25th September 1865, No. 2230.

Home Department.

I have the honor to return, with the assent of the Governor General signified

"To consolidate and improve the Laws which define the process to be taken for the recovery of rent." thereon, the authentic copy of the Law received with your letter, No. 116, dated the 16th of April.

2. Though His Excellency has accorded his assent to the Bill, he is not, I am directed to state, satisfied with the explanation submitted in your subsequent letter, No. 324, dated the 16th ultimo. His Excellency sees no valid ground for excluding the tenants of Ryot Proprietors from the benefits of the Bill; nor does he understand how Zemindars can *summarily* eject tenants at will, in the face of Section 12.

3. His Excellency fully admits, however, that the Bill is in other respects a good and useful one, and has not, therefore, considered it necessary, on these grounds, to withhold his assent from it.

No. 4. ORDER THEREON, 11th October 1865, No. 381.

Ordered that a copy of the Act assented to by His Excellency the Viceroy and Governor General, and received with the foregoing letter, be forwarded to the Superintendent of the Government Press, for publication in the *Fort Saint George Gazette*.

2. The assent of the Governor General to this Act will be communicated to the Council for the purpose of making Laws and Regulations, as prescribed in Rule No. 39 of the Council Rules.

3. The necessary steps will be taken in the Revenue Department for bringing the Act into operation, with reference to Section 90.
