*Proceedings of the Madras Government, Revenue Department,
14th October 1865.*

No. 259. Read the following letter from R. TAYLOR, Esq., Acting Deputy Accountant General, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, dated Fort Saint George, 30th September 1865, No. 126 :—

SIR,

1. *Vide* your Proceedings No. 2,341, dated 28th instant.
2. The Orders of Government of India, No. 1,717, dated 6th August 1864, empower the Local Government, in each case where an Officer moves by sea, to sanction reasonable charges; but I am so far from questioning its power to lay down generally what may be considered reasonable charges, that I should have asked for such a general order, had I not supposed, from a letter sent for opinion by the Superintendent of Marine soon after my arrival, that that Officer had been bidden to propose a scale. There could be no objection to an order allowing all Covenanted Officers to charge certified cabin passage for themselves, and deck passage for one servant each; Uncovenanted Officers would have to be divided into classes.

No. 260. ORDER THEREON, 14th October 1865, No. 2,498.

Miscellaneous.

1. The proposed rule for Covenanted Servants and Commissioned Officers in Civil employ is approved.
2. The case of Uncovenanted Servants will be disposed of separately, when the reports on the subject are received.

{ this } Office Letter No. 2341 dated 28th instant 1865

Sir, The orders of Government of India No. 1747 dated 6th August 1864 empower the Local Government, in each case in which an officer moves by sea, to sanction reasonable charges, but I am so far from questioning its power to lay down generally what may be considered reasonable charges, that I should have asked for such a general order, had I not supposed, from a letter sent for opinion by the Superintendent of Marine soon after my arrival, that that Officer had been bidden propose a scale. There could be no objection to an order allowing all Co-incident officers to charge certified Cabin passage for themselves and deck passage for one servant each. Unco-incident Officers would have to be divided into classes.

I have the honor to be,
Sir,
Your most obedient servant.
