*Proceedings of the Madras Government, Revenue Department,
8th February 1865.*

No. 145. Read the following Proceedings of the Board of Revenue, dated 14th January 1865, No. 212.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 17th December 1864, No. 389:—

1. I have the honor to acknowledge the receipt of the Board's Proceedings of the 16th November, No. 7,461, in which the Board observe that I had been requested to give detailed information regarding two offices in the Sub-division, but had only given this information for one office, and had filled up the other without having apparently consulted the Sub-Collector in the matter.

2. The order directing me to furnish the said information was passed on the 8th August, and directed me to furnish the detailed information necessary for the submission of the cases to Government "if I desired them to be so submitted."

3. I looked on this order as giving me the option of submitting either case; and, should this have been the Board's intention, I beg I may be set right with Government, as I at present appear to have failed to comply with the Board's positive instructions.

4. Whilst, as regards the second point, the Board will observe that the correspondence with the Sub-Collector was all along based on the fact of no passed candidate being available, and Mr. Morris throughout expressed his readiness to agree to the nomination by me of any one duly qualified.

Submitted to Government as requested. The Board intended to give Mr. Dykes the option of submitting the cases a second time or not, but if he did not think right in one of two cases to re-submit the question, it rested with the Sub-Collector, the offices being in his division, to make a new appointment.

No. 146. ORDER THEREON, 8th February 1865, No. 219.
