*Proceedings of the Madras Government, Revenue Department,  
21st October 1865.*

No. 423. Read the following Proceedings of the Right Honorable the Governor General in Council.

Extract from the Proceedings of the Government of India, in the Financial Department (Simla), under date the 20th September 1865, No. 2,426.

Read an Endorsement of the Public Works Department, No. 432 F., dated 19th August 1865, forwarding copy of a letter to the Government of Madras, approving of the transfer made by that Government of Rupees 2,500 from the Budget provision for Establishments to the head of Working Expenses in the Forest Estimates of the Madras Presidency, to meet additional expenditure for forests in the Kurnool District, but stating that the transfer should have been referred to the Government of India for previous sanction.

RESOLUTION.—The Governor General in Council observes that, by Financial Resolution No. 1,739 of 12th August 1864, Local Governments are empowered to transfer Budget provision from one to another section (minor head) of a major head of the Budget.

Forests form a major head of the Budget, and had the Financial Resolution of 12th August 1864, not been modified with regard to Forests, by the Financial Resolution of 15th September 1864, No. 2,331, the Proceedings of the Government of Madras would have been within rule. But by the Resolution of 15th September 1864, Forest expenditure within the major head of Forests was divided into two classes of, 1st "Conservancy and Working;" 2nd "Establishments;" and Local Governments were restrained from transferring Budget provision from one to the other of these two classes of the major head of Forests.

With this explanation the Proceedings of the Government in the Public Works Department are confirmed.

ORDER.—Ordered that a copy of the Resolution be sent to the Public Works Department.

SIMLA,  
2nd October 1865.
