No. 442. Read again letter from His Highness Rama Varma, First Prince of Travancore, dated 11th September, and recorded in G. O., 2nd October 1865, No. 2,380.

Read also the following letter from the Honorary Secretary to the Agri-Horticultural Society, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 19th October 1865, No. 574:—

1. I have the pleasure to return the box containing fruits and vegetables sent by His Highness Rama Varma, First Prince of Travancore, for the exhibition at Kensington. We have examined the specimens, and I find that they are in a good state of preservation, and are keeping their color. The collection contains a few duplicates, but these cannot be taken out without endangering the safety of the rest, as they are hermetically sealed. Dr. Bidie and I have gone over the lists carefully, and have put the Botanical names of the plants.

2. Will you kindly get the box despatched to London by the next P. and O. Co.'s steamer. I expect another collection from Dr. Shortt in a few days.

No. 443. ORDER THEREON, 23rd October 1865, No. 2,592.

Miscellaneous.

Ordered that the foregoing letters, together with the box, &c., therein referred to, be forwarded to the Secretary to the Royal Horticultural Society, South Kensington, with reference to his letter dated 6th February 1865.*
