Proceedings of the Madras Government, Revenue Department, 23rd October 1865.

No. 445. Read the following letter from the Commissioner of Mysore, to the Secretary to Government, Revenue Department, Fort Saint George, dated Bangalore, 19th October 1865, No. 3,225-30 :—

With reference to Mr. Acting Secretary Hudleston's letter, No. 1,140, dated 30th May last, I have the honor to enclose, for the information of His Excellency the Governor in Council, copy of a letter, dated 18th instant, from Mr. Black, Superintendent of the Lal Bagh at Bangalore, with five original lists of a collection of fruits from Mysore for the Kensington Exhibition ; and to state that Mr. Black has received instructions to send to your address the four cases in which the fruits are packed.

From the Superintendent of Lal Bagh, to the Acting Secretary to the Commissioner of Mysore, dated Lal Bagh, Bangalore, 18th October 1865.

1. I have the honor to state, for the information of the Commissioner, that I have put up in four cases, ready for despatch, and addressed to the Secretary Royal Horticultural Society's Gardens, Kensington, London, a collection of such fruits as I have been able to obtain, for exhibition at the Society's show in December.

2. Their number and nature will be seen from the enclosed list, which requires to be sent to the Secretary of the Society along with instructions as to the ultimate disposal of the specimens ; with reference to this, I would respectfully suggest, that they be handed over to Dr. J. D. Hooker, for the Museum of Economic Botany at Kew, as there they will be most appreciated and useful.

3. It will be seen from the list sent, that most of the fruits are preserved in tins, and as these will require to be opened and the fruits placed in glass vessels, it is highly desirable that the cases be forwarded by the *first Overland Mail*, to allow of this being done before the show commences, which is, according to Circular, on the 9th December.

4. I will therefore be much obliged by an early reply, as to whose care the cases are to be sent to in Madras, whether to the Secretary of the Revenue Department, or to whom.

5. I trust the Commissioner may also feel disposed to urge the authorities in Madras to forward by the *first Mail*, as the time which they have apparently chosen (the 10th November) would be too late.

(Copy.)

(Signed) L. BOWRING, *Commissioner.*

Miscellaneous.

1. Ordered that the cases, on receipt, be forwarded to the Collector of Sea Customs for despatch by the next P. and O. Steamer.

2. The correspondence and lists will be forwarded by the same opportunity to the Secretary to the Royal Horticultural Society, Kensington, London.
