No. 465. Read the following letter from the Acting Deputy Consulting Engineer for Railways, in charge, to the Secretary to Government, Public Works Department, dated Madras, 12th October 1865, No. 504:—

* Rupees 40,000, viz. :—

 District, for land to be taken up for the Erode Extension of the Great Southern of India Railway. The Collector has now sent in a revised estimate† showing that an additional sum of Rupees 12,247 will be required. He has explained the necessity for the same, and I have the honor to request that you will be good enough to obtain the sanction of the Government of India for the amount.

† Enclosed.

 1. In the Budget Estimate* for 1865-66, an allowance of Rupees 33,000 was made on account of the Coimbatore District, for land to be taken up for the Erode Extension of the Great Southern of India Railway. The Collector has now sent in a revised estimate† showing that an additional sum of Rupees 12,247 will be required. He has explained the necessity for the same, and I have the honor to request that you will be good enough to obtain the sanction of the Government of India for the amount.
 2. The Budget grant for 1865-66 will be increased from Rupees 2,07,000† to Rupees 2,19,247.

Vide letter to the Consulting Engineer, dated 20th February 1865, No. 9, but the actual charges to 30th April 1865, amounted to only 60,753 Rupees. According to the calculations now made under existing circumstances, it is presumed that the probable expenditure in the current official year would be Rupees 45,247, or Rupees 12,247 over and above the sum which was intended to be spent in this year. It is, therefore, requested that sanction may be obtained for the extra sum of Rupees 12,247.
