*Proceedings of the Madras Government, Revenue Department,
27th October 1865.*

No. 530. Read the following Proceedings of the Board of Revenue, dated 18th October 1865, No. 6,611.

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 21st September 1865, No. 311 :—

1. From the correspondence recorded in the Board's Proceedings noted in the margin, the Board are aware, that in a remittance made from the Salt Division of Neidavasal there was a deficiency of Rupees 1,150, and that the Shroff, who was committed to the Session Court to take his trial for Criminal Breach of Trust, was convicted and punished.

2. Of the sum above specified, Rupees 129-14-3 have been recovered by the fine collected and remitted by the Session Court, and the remainder, viz., Rupees 1,020-1-9, has been made good from the proceeds of the property upon which security had been given for the ex-Shroff, and which has been sold by this Department. The sum first mentioned having, however, been carried to the head of "Law and Justice," the deficiency to that extent yet remains to be made good, and as the

Accountant General has objected* to the amount remitted by the Session Court as fine being credited to the deficiency

in question, and has pointed out that if such an adjustment is deemed necessary, the sanction of Government should be obtained for the same through the Board, I beg to request that the Board will be pleased to obtain sanction for the remaining deficiency of Rupees 129-14-3 being either thus adjusted, or written off to "Profit and Loss."

3. I must also add that the Court's sentence directs that the prisoner "do further pay to Government a fine of Rupees 1,150 equal to the deficiency found in his accounts," and that it was in part payment of the fine thus inflicted that the sum of Rupees 129-14-3 above specified, which was all that the Court could realize by distress and sale of the prisoner's moveable property, was remitted by the Court. In the prescribed Memorandum, however, which accompanied this remittance, "Law and Justice" was specified as the head of account to which the same was to be credited.

Submitted to Government with the Board's recommendation that sanction be granted to write off to "Profit and Loss" the sum of Rupees 129-14-3, referred to by the Collector. This sum should not have been originally credited to "Law and Justice," but to the proper head of account, to make good the deficiency. It is not, however, desirable to make an adjustment to correct the error, as the amount has been carried to the credit of Government.
