*Proceedings of the Madras Government, Revenue Department,
27th October 1865.*

No. 546. Read the following letter from the Honorary Secretary to the Agri-Horticultural Society, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 27th October 1865. :—

1. I have the honor by desire of the Committee of the Madras Agri-Horticultural Society to forward five packing cases, one small barrel, one stoneware jar, and one tin case, containing a very complete collection of the fruits and vegetables of Southern India. Also a set of models of the fruits, these have been well selected and carefully preserved by Dr. J. Shortt, Superintendent of Vaccination, for the Kensington Exhibition, London; they form a very complete series.

2. I send also a book of colored drawings and a collection of the dried plants, that produce the fruits and vegetables. The bottles have been carefully put up, and the specimens are in good preservation. I think it desirable that, if possible, the whole series should be sent by the Steamer which is to sail for London to-morrow. Some of the articles were only received this morning, but I trust they will be in time to despatch by the Steamer. I forward also the lists received from Dr. Shortt, copies of which have been kept for publication if necessary.

No. 547. ORDER THEREON, 27th October 1865, No. 2,646.

Miscellaneous.

1. Ordered that the cases, &c., be forwarded to the Collector of Sea Customs for despatch by the P. and O. Steamer now in the roads.

2. This letter and the lists therein referred to will be forwarded by the same opportunity to the Secretary to the Royal Horticultural Society, South Kensington.
