Dated 30th October 1865.

No. 555. Read the following Proceedings of the Board of Revenue, dated 18th October 1865, No. 6,598.

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 26th September 1865, No. 206:—

1. Adverting to paragraph 2 of Government Order, dated 31st July last, No. 1,772, covered by the Board's Proceedings, dated 3rd ultimo, I have the honor to state that the Acting Sub-Collector reports that having inspected the Cherikul Talook Cutcherry at Odenenkunee, he is of opinion that a new record-room is much required.

2. There are at present, he writes, three miserably small rooms in which the records connected with the Vernacular, Magisterial, and Correspondence Departments, and the Vernacular accounts are kept.

3. There is no room for the cadjan records, which are in consequence all lying in the old Talook Cutcherry at Tadliparamba, now occupied as the Cutcherry of the Sub-Magistrate of that place, and are so bulky as to require as much room as all the others put together.

4. It is in contemplation to build a new subsidiary Jail or lock-up at this Cutcherry, the present lock-up room being very dark and miserably ventilated. This is imperatively required, and would make the above room available (with slight alterations) for the Vernacular accounts, which might be moved from the room where they at present are to this lock-up with great advantage, for the white-ants are so bad in the room where they now are as to require the posts supporting the shelves to be tarred every two or three days, to prevent their being destroyed.

Submitted to Government, with reference to the Order quoted by the Collector. Mr. Ballard will report whether it is necessary to preserve all the old records to which he refers.

No. 556. ORDER THEREON, 30th October 1865, No. 2,651.

Miscellaneous.

Before sanctioning the proposed expenditure for building a new record-room, the Government desire to be informed what steps have been taken in the Cherikul Talook towards carrying out the standing orders for the separation and destruction of all useless records.

Acting Secretary to Government.
