No. 559. Read the following Proceedings of the Board of Revenue, dated 21st October 1865, No. 6,699.

Read the following letter from the Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 4th October 1865, No. 209 :—

1. I have received the Proceedings of the Madras Government and their Order thereon, dated 20th ultimo, No. 2,261, and beg to report, with reference to paragraph 1 thereof, that the new Bungalow at Poothanoor may be expected to be ready for occupation by the end of November 1865, as will be seen from the accompanying copy of a letter from the Assistant Engineer, Mr. George, dated 27th September 1865, No. 146. The terms of the lease to Mr. Smith for the Bungalow at Coimbatore are that six months' notice should be given to him when the building is wanted by Government. I have accordingly given him notice that at the end of six months from this date, his lease will determine, and that the Bungalow will be resumed by Government. So soon as Mr. Smith gives it up, the orders of Government for the sale by public auction of the building with its site on free-hold tenure, will be duly carried out, and the result reported to the Board.

2. As regards the furniture required for the new Bungalow, I beg to state that there are several cots, tables, &c., belonging to the Bungalows lately given up, and which, with a little repair, can be utilized. Mr. George, Assistant Engineer, has agreed to take them. When this is done, a portion of the amount sanctioned for the furniture will not be necessary.

3. I shall adopt measures to secure a respectable and competent tenant for the Bungalow on its completion.

From the Assistant Engineer, to the Collector of Coimbatore, dated 27th September 1865, No. 146.

1. With reference to your letter, No. 174, of the 23rd instant, I have the honor to inform you that I expect to have the Poothanoor Bungalow ready for occupation by the end of November next.

2. With regard to the furniture, I have seen the cots you refer to, and I think they will do very well for the Poothanoor Bungalow. Some of the cots require repairs, such as new rattan, &c., but all that can be done here at a trifling cost.

1. Submitted to Government with reference to the Government Order quoted by the Collector.

2. The Board think it as well that Mr. Grant should endeavor to let the Bungalow at Poothanoor from the 1st of January 1866, on the same terms as the Coimbatore Bungalow was leased to Mr. Smith. Perhaps a tenant might be obtained who would take it unfinished.

3. It will be observed that Mr. Smith is entitled to retain the Bungalow at Coimbatore until the end of March, should he desire to do so. Before advertising this Bungalow for sale, the Collector should ascertain whether it is required by any other Department.
