*Proceedings of the Madras Government, Public Works Department,
25th October 1865.*

No. 624. Read the following letter from the Officiating Superintending Engineer,
1st Division, to the Secretary to Government, Public Works Department,
dated Waltair, 6th October 1865, No. 1,184 :—

1 Estimate.

1. I have the honor to enclose a supplemental estimate, amounting to Rupees 144, for making certain improvements to the Principal Assistant Collector's Cutcherry just completed at Nursipatam in the District of Vizagapatam.

2. The estimate has been prepared at the request of the Principal Assistant Collector, and countersigned by the Collector in token of his approval of the proposed improvements, and I do myself the honor of requesting that the amount, viz., Rupees 144, may be placed at my disposal from the current year's Reserve, in the event of the work being sanctioned for immediate execution.

No. 625. ORDER THEREON, 25th October 1865, No. 3,204.

CIVIL WORKS, No. 91.

1. The estimate submitted with this letter, amounting to Rupees 144, for gates, bamboo mats, shelves, &c., required for the Principal Assistant Collector's Cutcherry at Nursipatam in the Vizagapatam District is sanctioned for immediate execution. The Superintending Engineer will report, later in the year, from what source the expenditure can be defrayed.

2. Captain Beatty should have quoted the Order of Government sanctioning the estimate for the construction of the Cutcherry, and reported the actual expenditure that has been incurred upon the work. These and similar omissions prevent the prompt disposal of papers which are submitted for the orders of Government.
