No. 577. Read the following Proceedings of the Board of Revenue, dated 10th October 1865, No. 6,392.

Read the following letter from the Postmaster General, to the Acting Sub-Secretary to the Board of Revenue, dated Madras, 21st September 1865, No. 4,271 :—

With reference to your Official Memorandum, No. 862, dated 15th instant, and the Board's Proceedings, No. 2,289, dated 6th May last, I have the honor to state that the return of correspondence passing through Gooddalore and Sultan's Battery, furnished by the Collector of Malabar, not affording ground for thinking that the postage collections will suffice to cover the cost of regular Post Offices at those stations, and the line between Manantoddy and Ooty, it has been decided to open a regular Post Office only at Gooddalore for the present. An application has been submitted to higher authority accordingly, and the measure will be carried out on receipt of sanction.

1. Ordered that the foregoing letter be submitted to Government, with reference to paragraph 2 of their Order, dated 15th February 1865, No. 321. It will be seen that the Postmaster General is willing to establish a regular Post Office at Gooddalore, but is not disposed to take up the line from Manantoddy to Ootacamund. The Board do not, therefore, think it worth while to have a regular Post Office at Gooddalore, and they are of opinion that the better plan will be to raise the pay of the District Post Gumashta allowed for Gooddalore from 15 to 35 Rupees, as the Collector of Malabar states that he finds it very difficult to get a competent man at 15 Rupees, in consequence of the locality being unhealthy. If the Government approve of this suggestion, the Board request that the Honorable Mr. Pelly may be requested to include the increase of 20 Rupees in the Tabular Statement of the District Post Establishment, which he is about to submit to Government.

2. In paragraph 4 of his letter to Government, dated 31st January 1865, the Collector of Malabar stated that, pending the receipt of sanction to his proposition for opening a regular Post Office, he had directed, as a temporary measure, the immediate entertainment of an efficient person on 35 Rupees per month from 1st February 1865, and the Board request that Government will be pleased to sanction the extra charge of 20 Rupees, pending the final settlement of the question now submitted.

No. 578. ORDER THEREON, 31st October 1865, No. 2,662.

Miscellaneous.

1. The Board's proposal is approved and sanctioned.

2. The requisite alteration will be made in the Tabular Statement now before Government, and about to be submitted to the Supreme Government.
