*Proceedings of the Madras Government, Public Works Department,
26th October 1865.*

No. 674. Read the following Endorsement of the Secretary to the Government of India, Public Works Department, (Account); dated Simla, the 5th October 1865, No. 899 A:—

Extract from the Proceedings of the Government of India, in the Financial Department, Simla, under date the 30th September 1865, No. 2,514.

Read Extract from the Proceedings in the Public Works Department, No. 773A, dated 29th August 1865, forwarding a letter from the Government of Madras, stating that the Budget grant for 1865-66, under B IV. Miscellaneous, includes a provision of Rupees 11,609 for the formation of a Pearl Oyster Nursery at Tuticorin in the Tinnevely District, and soliciting (as that work is to be carried out through the agency of the Public Works Department), the transfer of the amount from the Civil to the Public Works Budget Estimate for 1865-66.

RESOLUTION.—The Governor General in Council observes that if it had been known that the provision which it is proposed to transfer to the Public Works Budget was for a work appertaining to the Public Works Department, it would have been struck out from the Civil Estimates in passing orders on the Madras Budget, and His Excellency in Council is accordingly constrained to revoke the grant in the Civil Estimates and disallow the transfer solicited. The charge for the Pearl Oyster Nursery should be met from the ordinary Public Works grant.

ORDER.—Ordered, that a copy of the foregoing Resolution be forwarded to the Public Works Department, for information and for communication to the Government of Madras, and that the original paper received from that Department be returned, a copy being kept for record.

Also that a copy of the foregoing be forwarded to the Auditor General of India, and the Accountant General Madras, for information and guidance.
