*Proceedings of the Madras Government, Revenue Department,
1st November 1865.*

No. 1. Read the following letter from the Commissioner for the Government of the Territories of His Highness the Maharaja of Mysore, to the Secretary to Government, Revenue Department, Fort Saint George, dated Bangalore, 26th October 1865, No. 3,365-31 :—

1. I have the honor to forward, for the consideration of His Excellency the Governor in Council, copies of the papers noted in the margin, and with reference thereto to observe that, having received from the District Officer an assurance that the offence was committed on ground actually paying revenue to the Mysore Government, it appears to me that the Bellary Magistrate might have complied with the requisition of the Officiating Deputy Superintendent of Chituldroog, irrespective of any boundary dispute between the Bellary and Mysore villages, not concerning the particular land where the outrage is said to have been committed.

2. The marks which are reported to have been knocked down by the Bellary Ryots, were erected, it is stated, by the Officers of the Mysore Survey, within the limits of the Illoochingapur village.

3. The course pointed out by Lieutenant-Colonel Anderson in his letter of 25th February 1865, enclosed in Secretary's letter No. 4,526-51 of 4th March, appears to be correct, and it is not apparent why the Bellary Magistrate sent no reply to the Nugur Superintendent's letters of 13th March and 6th June 1865.

No. 2. ORDER THEREON, 1st November 1865, No. 2,667.

Miscellaneous.

1. Forwarded to the Collector of Bellary for full and early report through the Revenue Board.
2. He will specially explain his failure to reply to the Superintendent's letters, as noticed in Major Clerk's letter dated 16th October 1865.
