Proceedings of the Madras Government, Revenue Department,
3rd November 1865.

No. 33. Read the following Proceedings of the Board of Revenue, dated 26th October 1865, No. 6,880.

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 4th October 1865, No. 217 :—

1. The Board are aware that a new line is opening between Koilandi on the coast and the foot of the Tambracherry ghát, which promises to be a most useful road. The work is progressing most satisfactorily.

Original Estimate, Rupees 22,413, sanctioned.

2. A sum of Rupees 4,950 was provided, in the District Road Fund Budget, for this year. The expenditure of an additional sum of Rupees 2,600 was proposed in my letter of the 29th April last, No. 66.

3. But I now learn that a more than ordinary amount of Wudder labor is available this season, and the Range Officer has made greater progress with the tracing than he expected to be able to do when I proposed the previously recommended additional sum.

This will give Budget sanction	Rs. 4,950
Subsequently applied for, 29th April 1865	2,600
Now applied for	2,000

Total... 9,550

for expenditure in due course this year.

He informs me that he can efficiently expend a further sum of Rupees 2,000 if sanctioned soon, and I beg that sanction may be accorded for the expenditure this year.

4. I need not point out the desirability of completing such a line throughout as soon as possible, so as to bring it into speedy use.

The original allotments would have been greater had it been clear that funds could have been spared, and that the labor would be available. Both these points are now ascertained.

Funds are available from the unappropriated balance of the District Road Fund assets.

Submitted to Government in continuation of the Board's Proceedings, dated 7th October 1865, No. 6,325. In paragraph 8 of these Proceedings, the Board requested sanction for an additional expenditure of Rupees 26,815, in the current year, out of the District Road Fund. They now request sanction for a further expenditure of Rupees 2,000, on the road from Kamagode Ferry to Tambracherry, as the Collector states that labor is available to carry on the work. There are sufficient funds to meet the charge.

No. 34. ORDER THEREON, 3rd November 1865, No. 2,684.
