**Proceedings of the Madras Government, Public Works Department,
30th October 1865.**

No. 734. Read the following Proceedings of the Board of Revenue, dated 19th October 1865, No. 6,632:—

Read the following letter from the Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 25th September 1865, No. 147.

1. Under Government sanction, dated 8th July 1864, No. 1,186, runners were established on the District post lines marginally shown, and are now continued on it. Huts for their accommodation being absolutely required, I called upon the Engineer Officer for an estimate of the probable cost, and beg herewith to forward a plan and estimate procured for the purpose.

1. Between Mangalore and Someshwar.
2. Puttur and Uppinangady.
3. Uppinangady and Beltangady.

Huts.	9
Between Mangalore and Someshwar.	2
Between Puttur and Uppinangady...	11

2. Eleven huts are required to be built, and the cost of these, at the rate of Rupees 47 each, as estimated by the Supervisor Department Public Works, will amount to Rupees 517.

3. I beg that the Board will be pleased to procure for me the required sanction for the proposed expenditure, and inform me, at the same time, from what source the same is to be met, as there is no provision in the Budget in this respect, if the cost is to appear against the Revenue Department.

ENCLOSURES Nos. 1 and 2.—Plan and Estimate.

Submitted to Government. The Board request that sanction may be granted for the charge of Rupees 517, for constructing eleven huts on certain District post lines, for the use of the Tappal runners. The charge is properly debitable to Public Works Budget, as in the case of Police huts, but if that Budget cannot meet the charge, it must be met from the general savings under the provision made under B. IV., Miscellaneous, in the Budget for 1865-66, and should be debited to the same head.

Transferred to the Public Works Department.

Acting Secretary to Government.
