*Proceedings of the Madras Government, Revenue Department,
6th November 1865.*

No. 67. Read the following Proceedings of the Board of Revenue, dated 16th October 1865, No. 6,548.

Read the following letter from the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, to the Acting Secretary to the Board of Revenue, dated 4th October 1865, No. 404:—

1. I am directed by Mr. Pelly to forward to the Board, in original, the enclosed letter from the Collector of

Dated 27th September 1865, No. 2,853. Malabar, on the subject of the relative

value of the Special Test Examination and its modified form.

2. You will observe that Mr. Ballard suggests, that in case a candidate for the late Special Test, (whom he names,) does not succeed in passing the whole test, while he passes in those subjects which will form the basis of the Modified Test, he may be considered to have passed in the latter.

3. I am to state that the Commissioner supports Mr. Ballard's recommendation, and considers that it will obviate much unnecessary labor if the Board will recommend, and Government will sanction, the acceptance from those candidates who, in other respects, (length of service, &c.,) satisfy the qualifications for examination by the Modified Test, and who may have gone in for the full test, of a successful performance of the papers (Penal and Criminal Procedure Codes and Village and Talook Accounts) which form the subjects of the Modified Test, in place of a specific performance of that test.

4. I am to point out that the greater difficulty of the papers in the full test may be considered to make up for the absence of *viva voce* replies to the portion of the standard papers prescribed for the Modified Test.

5. I am also to add that, while the Commissioner has no doubt that the passing of the Modified Test is intended to secure eligibility for any of the posts of Tahsildar, Deputy Tahsildar, and Talook Sheristadar, he considers that an authoritative statement by Government of the view that a candidate who has passed the Modified Test is eligible for any of these posts, would tend to prevent much misunderstanding and correspondence.

ENCLOSURE No. 1.

From the Collector of Malabar, to the Secretary to the Commissioner for the Uncovenanted Civil Service Examinations, dated Calicut, 27th September 1865, No. 2,853.

Adverting to the "List of persons selected for examination by the Modified Special Test at the examination to be held in October 1865," forwarded on the 20th instant, I have the honor to state, that it appears from a report from my

Dated 16th instant.

Acting Sub-Collector, that Vencata Rama Iyen, Acting Sub-Magistrate of Talliparamba, presented himself at the Special Test Examinations held at Tellicherry on the 4th, 5th, 6th, 7th, 8th, and 9th instant. I, therefore, bring the fact specially to the notice of the Commissioner for the Uncovenanted Civil Service Examinations, with a view to ascertain whether Vencata Rama Iyen has come up to the standard required by the Modified Test, in case of his failing to reach the ordinary one, as it would then be unnecessary for him to present himself for examination a second time.

The Board resolve to submit the foregoing letter for the consideration of Government, with their recommendation that the suggestion made by the Commissioner be adopted.

No. 68. ORDER THEREON, 6th November 1865, No. 2,702.

Miscellaneous.

1. Approved and sanctioned.

2. The rule will, of course, only operate in the cases of properly nominated men of the prescribed length of standing, and who in all respects fulfil the conditions for admission to the Modified Test.
