*Proceedings of the Madras Government, Revenue Department,
9th February 1865.*

No. 186. Read the following Proceedings of the Board of Revenue, dated 17th January 1865, No. 269.

Read the following letter from the Honorable D. ARBUTHNOTT, Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 22nd December 1864, No. 232 :—

I have the honor to submit the accompanying list of new works proposed to be carried out from the 6,000 Rupees sanctioned in paragraph 10 of the Board's Proceedings, dated 24th January 1864, in addition to the new works entered in the Budget Estimate for 1864-65, and from the sums which will be available by the reduction from 18½ to 10 per cent. on the Local Fund Public Works expenditure on account of the assistance rendered by the establishment of the Public Works Department, as ordered in the Miscellaneous Circular, dated 12th November 1864, No. CXV. The estimates for the proposed works prepared by the Department Public Works are herewith sent. The Board will observe that the amount of an estimate for constructing a road from Poothur to Poodoohutrum in the Trichengode Talook is Rupees 1,575. From the estimate it appears that a Mutadar has promised to contribute this amount towards the construction of that road, and when the amount is received from the Mutadar, it will be credited to Local Funds.
