No. 158. Read the following Proceedings of the Board of Revenue, dated 1st November 1865, No. 7,002 :—

Read the following Proceedings of the Madras Government, dated 19th October 1865, No. 2,557, Revenue Department.

ABSTRACT.—Requesting the Examiner of Claims to submit a copy of the letter of reference that may be addressed to the Supreme Government, regarding V. Vurda Charloo's leave, &c.

1. The Board observe that Vurda Charloo did duty in the Office of the Collector of Trichinopoly up to the 13th of July, but as his case was under reference to Government,* he remained in Trichinopoly until the receipt of the Government Order under date 22nd July 1865, No. 1,703, on the 29th of the same month. In accordance with the orders received by him, Vurda Charry proceeded to Madras, and on the 8th instant obtained the Medical certificate which Government desired that he should submit.

* Government Order, 10th July, No. 1,576.

2. It seems from the certificate of the Collector of Trichinopoly, enclosed in Vurda Charloo's letter of the 12th August, that he has only received pay up to the 31st of May last, and as the Government in the Order under date 10th August 1865, No. 1,861, were pleased to rule that the salary of the present Sheristadar of the Trichinopoly District should be debited to the Settlement Department "until "Vurda Charry joined his appointment in the Godavery, or was otherwise disposed "of," the Board resolve to request that Vurda Charry's full salary may be passed to him up to the 8th of August. As they presume that the Sheristadar at Trichinopoly has already drawn his salary at that Treasury from 31st May to 8th August, the Board suggest that Vurda Charry be allowed to draw the amount from the Settlement Department.

3. The Board are induced to make this recommendation, as they think it unfair that an officer, who was not permitted to join his proper appointment, for the convenience of the public service, should suffer from a rigid application of the letter of the rules by the Audit Department. If Vurda Charry had been holding his own appointment in Godavery, and had thus been directed to apply for pension, he would undoubtedly have drawn his full salary until he either obtained a pension, or placed himself under medical treatment for the purpose of obtaining one; and the Board see no reason why he should suffer because, by order of Government, he joined the Trichinopoly, instead of the Godavery District.

No. 159. ORDER THEREON, 13th November 1865, No. 2,748.

Miscellaneous.

1. The Government do not understand why Vurda Charry remained in Trichinopoly after Setu Row resumed charge of the Sheristadar's office, which he appears to have done from the beginning of June.

2. There was nothing whatever in the G. O. of 10th July to require him to remain, and in fact he should have quitted Trichinopoly *en route* for the Godavery District a month before that order was issued.

3. It is observed that the G. O. of 10th and 19th October on Board's Proceedings of 19th September, and letter of Examiner of Claims, dated 14th October, respectively, were erroneously entered in the Revenue Department, instead of the Financial Department, to which they belonged.

4. The mistake appears to have arisen from the Acting Revenue Secretary being at the time in charge of the Chief Secretary's Departments, during Mr. Arbuthnot's absence with His Excellency the Governor.
