Proceedings of the Madras Government, Revenue Department,
14th November 1865.

No. 191. Read the following Proceedings of the Board of Revenue, dated 30th October 1865, No. 6,948.

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated Ooslampatty, 10th October 1865, No. 260:—

1. With reference to the Order of Government, dated 11th ultimo, No. 2,179, communicated by the Board in their Proceedings of the 15th idem, I have the honor to report that the additions and repairs to the building-occupied by the Press Office are urgently required.

2. The room in which the presses are worked is not large enough to admit of their being worked freely, owing to the cisterns in which the types and others materials are washed, taking up a portion of the room; they are consequently a good deal in the way of the workmen, and the splashing of the water about the floor makes the place very slippery and dirty. The additional room is, therefore, required for the purpose of holding these cisterns, so that all the washing process may be carried on in a separate room, and the space now occupied by the cisterns after their removal can be added to the accommodation of the Press room.

3. The Compositors work in a large narrow verandah, with a sloping tiled roof, which leaks so very much, that it is impossible to remain in it when it rains. It is very necessary, therefore, that this be attended to, before the monsoon sets in.

4. Under these circumstances, I beg that the Board will be pleased to recommend to Government the early sanction of the estimate herewith returned.

ENCLOSURE No. 1.—Estimate.

Ordered that the foregoing letter be submitted for the orders of Government, with reference to Government Order, dated 11th September 1865, No. 2,179, Revenue Department, and with the Board's recommendation that, under the circumstances represented by the Collector, sanction be granted to the estimate, amounting to Rupees 160, for the additions, &c., required to the building occupied by the Collector's Printing Press.

No. 192. ORDER THEREON, 14th November 1865, No. 2,765.

Miscellaneous.

Sanctioned, and referred to the Department Public Works for issue of the necessary orders.
