Proceedings of the Madras Government, Revenue Department,
14th November 1865.

No. 197. Read the following letter from the Accountant General, to the Chief Secretary to Government, dated Fort Saint George, 2nd November 1865, No. 152:—

In the Orders of Government in the Revenue Department, No. 1,085, dated 20th June 1863, sanctioning the Rules for drawing funds required by the Forest Department, it is prescribed that the Letters of Credit to be issued by this office shall lapse after a month. It has now been brought to my notice by the Officiating Conservator of Forests, that in the District of South Canara, owing to the great distance of the Establishments in the interior from Mangalore, and the unavoidable absence of the Assistant Conservator at times from head quarters, the Cheques issued against the Letters of Credit cannot, in many instances, be presented for payment within the month. To prevent the inconvenience thus caused, Captain Beddome suggests that the Letters of Credit in SouthCanara should be allowed to run for two months, and as I am not aware of any objection to this arrangement, I have the honor to request sanction to its adoption.

No. 198. ORDER THEREON, 14th November 1865, No. 2,768.
Sanctioned as requested.
