Public Works Resolution N^o 293 F
dated 20th May 1865, recommending an
increase to the Establishment of the Tumool
District on Account of the Nallamallai Forests

Read also.

Letter N^o 2118 dated 6th September
1865, from the Secretary to Government Madras
Revenue Department proposing a further increase
of Rupees 73 per mensem to the Forest Estab-
lishment of the Tumool District.

Observation

The Government of Madras
has proposed a further increase to the
Forest Establishment of the Tumool District

2. The scale last recommended
in this Department (see Resolution N^o 293 F
of 20th May 1865) and it would seem,
sanctioned in the Financial Department
amounted to Rupees 432 per mensem; that

now

now proposed is fixed at Rupees 505 per
 mensem the excess of Rupees 73 per mensem
 being made up as follows;— Increase

1 Gomashita	12
1 Dufladar	15
6 Peons	36

Increase to the pay of a
 Gomashita from Rs 15 to Rs 25/ ——— 10

Total 73 per mensem

thus raising the cost of Establishment for
 this District to Rupees 6060 per Annum.

It is stated in support of the
 present proposition that the demand
 for timber has greatly increased of late
 in this District and the opening of
 the Railway to Buddapah is likely
 influence it still more; the present
 Establishment also being found
 inadequate for a proper management
 of the Department but the brief interval
 of time that has elapsed since the
 last revision of this Establishment
 suggests that a more careful forecast
 of the operations and prospects of
 the Forests might have been taken
 in the first instance.

The following is the sanctioned
 estimate of the Annam District for
 the

The present year

	Rupees
Receipts ———	20000
Charges ———	6610
Surplus ———	13390

But it would appear from the papers
 now before Government that the Revenue
 is estimated at Rupees 2000 monthly on
 an average or at Rupees 24000 for the
 year. The augmentation in the receipts is
 about twice the aggregate yearly cost
 (Rs 1920) of the Establishment now and
 previously asked for, but the estimated
 increase in working expenses resulting
 from the increased Establishment is
 not mentioned.

The Government of Madras intimate
 that the charge on account of the Additional
 Establishment, if sanctioned can be
 met from savings under other heads
 in the Forest Estimate of the year. In a
 memorandum however by the officiating
 Conservator of Forests it is stated that
 the charge is payable from Local
 funds. This remark is not understood
 Forest income and Revenue being
 entirely imperial.

With these remarks the Govern
 General in Council is pleased to
 direct

direct that the proposition should be forwarded for favorable consideration in the Financial Department.

Ordered that the foregoing Order observations with the letter now read and Tabular Statement be forwarded to the Financial Department for consideration and orders. —
