No. 203. Read the following Proceedings of the Board of Revenue, dated 5th January 1865, No. 18.
Read the following Tabular Report from G. BANBURY, Esq., Acting Collector of North Arcot, to W. HUDESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 21th November 1864, on a lapsed Yeomiah in the District of North Arcot:—

Case number.	Talook and village. Extent and value of the entire Inām.	When and by whom granted. Name of the original grantee. Sunnuds and other documents in support of the grant.	Nature of the grant, charity or service; if of the duty prescribed by grant.	Name of the last holder; date of his decease; and the relationship in which he stood to the grantee.	Share enjoyed by the deceased, and that held by the other members.	Family left by the deceased; name and age of the parties; their circumstances, and the means of subsistence possessed by them.	Remarks.
1	2	3	4	5	6	7	8
3	Ready money allowance of 9 Rupees per mensem.	Order of Government, dated 12th March 1839. Herasath Khan.	Charitable allowance.	Nurjabibi, granddaughter of the original grantee, died on the 1st August 1863.	The whole share was enjoyed by the deceased.	Gulam Husain, husband of the deceased... 40 Mahomed Ghouse, son (dumb)... 8 Achi Bibi, daughter (dumb)... 13 Abbasabi, daughter. 7 No other means of subsistence besides the pension.	In their Order of the 12th March 1839, the Government were pleased to grant pensions to certain surviving members of the family of Herasath Khan, the original grantee, of a charitable allowance of Rupees 250 per mensem. Among those was Moorjabi, the last holder of this allowance, who died on the 1st August 1863, from which date her allowance was discontinued, as no mention is made either in the Order of Government sanctioning the grant, or in the correspondence connected with the subject; whether the pension was for life or hereditary.

It appears that the surviving members of the family are in very destitute condition; moreover, the son and one of the daughters of the deceased are dummies; the Acting Collector would, therefore, beg to recommend that three-fourths of the pension enjoyed by Moorjabi be continued in the name of her son, Mahomed Ghouse, and arrears due at that rate, as per margin, be paid to him.

On the death of Kadar Khan, who is one of the pensioners referred to in the Order of Government above quoted, the Government were pleased in their Order of 5th August 1860, No. 1,325, to sanction the continuance of two-thirds, or Rupees 10, of the pension enjoyed by him, to his son, Raja Alli Khan, for life.

*Proceedings of the Madras Government, Revenue Department,
10th February 1865.*

1. Ordered that the foregoing Statement be submitted to Government with the Board's recommendation that 6½ Rupees per mensem be continued in the name of Mahomed Ghouse for the support of himself and two sisters, with arrears at that rate from 1st August 1863 to 31st October 1864, being fifteen months, amounting to Rupees 105, and not Rupees 101-4-0 as entered in the Acting Collector's Statement.

2. The explanation of the delay in reporting this case is far from satisfactory, and Mr. Banbury is requested to state with whom the responsibility immediately rests. The Board observe that the Talook and Village in column 2 of the Statement are omitted.

No. 206. ORDER THEREON, 10th February 1865, No. 279.

Miscellaneous.

1. The Board of Revenue submit, with their recommendation, a Tabular Statement forwarded by the late Acting Collector of North Arcot, applying for the continuance of a portion of the ready money allowance paid to the deceased Nurjabibi.

2. The statement of Mr. Banbury that "no mention is made in the correspondence connected with the subject, whether the pension was for life or hereditary" is not correct. On the contrary, the Order of Government dated 9th August 1864, No. 1,325, clearly pointed out that there are no grounds for regarding it (the pension) as hereditary, and that it was merely a charitable allowance.

3. However, as the circumstances of the family appear to demand much indulgent consideration, the Government sanction the payment of three-fourths of the allowance or Rupees 6½ per mensem in the name of Mahomed Ghouse for the support of himself and two sisters. The whole of this allowance will be continued till the death of the last surviving child.

4. Authority is also granted for the payment of the arrears amounting Rupees 101-4-0. The sum (Rupees 105) specified by the Board is not correct.

Rev. No. 45

The origin of this and the other pensions connected with the same family is clearly explained in the Pro: of Govt dated 9th August 1860. The statement of the Act Collector that no mention is made in the correspondence connected with the subject, whether the pension was for life or hereditary is not correct. The order alluded to clearly states that "Govt see no grounds for regarding it (the pension) as hereditary" and that it was "merely a charitable allowance."

But perhaps considering the precedent cited by Mr. Banbury the

the very poor condition of the family and the fact that the son and one of the daughters of deceased are dumb the Govt will continue a portion of the

taxpayers

What portion should be continued is the next question.

Mr. Banbury recommends $\frac{3}{4}$ th or Rs 6-12-0. In the precedent quoted $\frac{2}{3}$ th was continued. That is similar to Rs in the present case.

Mr. Banbury recommends the continuance of the allowance in the name of Mahomed Ghause the son of the deceased aged eight years. Perhaps the order should state clearly that the allowance is to be continued for the lives of the 3 children; and two Rs lapsing to Govt at

used adopt the course of the family allowing and must understand reservation *WR* *JPS*

at the death of each or the whole to be continued till the death of the last surviving child.

Order as requested.
