ORDER THEREON, 14th November 1865, No. 422.

The Governor in Council has much pleasure in granting to B. Sama Row, late Deputy Collector of the 2nd Class in the Bellary District, a good service pension of Rupees 221-8-0, to which his services of forty-two years entitle him, with effect from the 1st August 1865, from which day he ceased to be in Government employ.

2. The pension now granted is the largest which it is in the power of the Government to grant, being the half of Sama Row's average salary for the past five years. The Government fully appreciate the services of Sama Row, but they do not see in them any thing of such special character as to call for extraordinary acknowledgment.

3. The very meagre reports which the Deputy Accountant General submits render a second close examination in the Government Office necessary ; while his practice of altering and writing over the list of services renders such an examination a work of extreme difficulty. The Government consider that the form of report in use in the late Civil Paymaster's Office, while re-established, unless Mr. Taylor can show strong reasons for its discontinuance.
