Proceedings of the Madras Government, Revenue Department, 17*th November* 1865.

No. 306. Read the following Proceedings of the Board of Revenue, dated 8th November 1865, No. 7,195.

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Cannanore, 27th October 1865, No. 227 :—

1. Adverting to the Board's Proceedings dated 1st December last, No. 7,735. I have the honor to state that the Deputy Collector of Wynaad has applied for Rupees 200, for the purpose of making advances to Survey Peons, during this season also.

2. I, therefore, request the Board's sanction for the payment of the amount to Mr. Richardson, and to debit the same to "Advances Recoverable," adjusting it at the end of the working season.

3. As the advance is urgently required by Mr. Richardson, I have, in anticipation of the Board's sanction, directed the amount to be placed at his disposal forthwith.

P. S.—Since writing the above, I have received a letter from the Deputy Collector, copy of which I enclose, in which he proposes to employ thirty Peons only at Rupees 9 per mensem, instead of forty at Rupees 7, as he finds it impossible to get men at the latter rate. There is no choice in the matter, and as the present time is particularly valuable, I have ordered Mr. Richardson to engage Peons on the higher rate if he cannot get others, the total sanction not being exceeded.

From the Deputy Collector of Wynaad, to the Collector of Malabar, dated Manantoddy, 26th October 1865.

I have the honor to inform you, that owing to Mr. Nordman having raised the rate of labor to eight Annas a day, I find the greatest difficulty in getting Peons for the Surveyors working in Wynaad, and therefore beg you will be good enough to obtain immediate sanction to employ thirty Peons at Rupees 9 each per mensem, instead of forty at Rupees 7 each, for the Survey work is considerably retarded, owing to the want of Peons.

Vide Board's Proceedings, dated 14th March 1863.

The sanction of Government will be requested to Mr. Ballard's arrangements. The Board observe that last year it was found necessary to make advances as now proposed. The Board then sanctioned the measure on the understanding that the advances made one month should be brought to adjustment in the following month. The same course should be observed on the present occasion.
