*Proceedings of the Madras Government, Revenue Department,
18th November 1865.*

No. 325. Read the following letter from the Collector of Nellore, to the Secretary to Government, Public Works Department, Fort Saint George, dated Nellore, 3rd November 1865, No. 43 :—

1. At the request of the Superintending Engineer, 2nd Division, I have the honor to submit with my approval and countersignature, for the sanction of Government, the estimates, &c., as per margin, in reference to the construction of Travellers' Bungalows along the new line of Trunk Road No. 6, north of Nellore, from Razupalem to Singarayakonda.

2 Detailed Estimates.
2 Abstract Estimates.
2 Specification Reports.
2 Plans.
1 Sketch.

1 Covering letter from Superintending Engineer, to Secretary to Government, Public Works Department, 24th October 1865, No. 87.

From District Engineer to Collector, No. 2,352, dated 21st December 1861.

To District Engineer from Collector, No. 41, dated 3rd March 1862.

(Copies enclosed.)

Captain Mullins, R. E., who nearly four years ago forcibly drew attention to the necessity for the immediate construction of these Bungalows, the estimates for which have now been furnished.

3. Further explanation for their necessity is doubtless superfluous, and it will be observed that the Superintending Engineer has applied for funds for the prosecution of these buildings in the Budget for 1866-67, which application I beg to most strongly support.

1. Referred to the Revenue Department.

2. The annual expenditure on Travellers' Bungalows from *Imperial Funds* having been restricted by the Government of India to Rupees 11,230, a sum which is not more than sufficient for absolutely necessary *repairs* to building of that class, it will not be possible to include the estimate submitted by the Collector of Nellore in the Imperial Budget for 1866-67.

No. 326. ORDER THEREON, 18th November 1865, No. 2,831.

Local Funds, No. 13.

Civil Works.

The Government consider that the erection of the proposed Bungalows is very desirable, but if the expenditure on Public Bungalows is to be restricted to

the sum necessary for repairs, any addition to their number is simply impossible, there not being the remotest probability of funds for the purpose being derived from fees for occupation, which have primarily to be devoted to the payment of the establishment and provision of furniture, and next to the repairs of the buildings, and which are altogether insufficient to provide for these purposes.

Acting Secretary to Government.

To the Department Public Works.

Exd. S. T. Augustin.

The Govt. consider
that the erection of the proposed
Bungalows is very desirable
but if the expenditure on Public
Bungalows is the restriction
to some extent for repairs,
any addition to their number
is simply impracticable. There
is being the most perfect
utilization of funds for the purpose
being derived from funds for
occupations. It has been
the matter to the Govt. of the
State & provision of permission
to erect the repairs of the bridges
& are altogether insignificant
to provide for their purposes. By
