*Proceedings of the Madras Government, Revenue Department,
20th November 1865.*

1. Resolved that the foregoing Statement be submitted to Government with the Board's recommendation that the Collector be authorized to grant, as detailed in the Statement, Kanis 33-8-0, assessed at Rupees 129-1-10, in exchange for Kanis 33-9-6, assessed at Rupees 129-1-11, appropriated for Railway purposes in his District.

2. The Collector will be requested to report briefly, whether there were any claims to compensation for past years on account of these Ináms, and if so, how they have been adjusted.

3. The Collector's letter of explanation of the delay in proposing arrangements for the adjustment of these and similar claims, to which he refers in Column 7 of his present Statement, will be disposed of separately; but the Board deem it unnecessary to submit it to Government, as the Board have already remarked in their Proceedings to Government of 20th December 1864, No. 8,132, that the explanation then afforded by Mr. Banbury was not satisfactory, and Mr. Robinson's letter above referred to adds nothing which can be considered a satisfactory excuse for the excessive delay which has been allowed to take place in finally settling these claims.

No. 338.

ORDER THEREON, 20th November 1865, No. 2,837.

Miscellaneous.

The proposed exchange is sanctioned.
