No. 339. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 3rd November 1865 :—

Adverting to the Orders of Government, dated the 12th September 1865, No. 2,184, authorizing certain changes in the Huzoor and Talook Establishments of the several Districts of the Madras Presidency, I have addressed the Accountant General, asking him whether the increased charge can be met from any savings in the Budget, as no special provision has been made for it in the current year's Budget. That Officer in his reply, dated 11th October 1865 (herewith submitted), states that the additional charge of Rupees 64,555, required for the current year, can be met from the general savings in the Budget under, "4, Land Revenue," under which head there has been a saving of about ¼ lac of Rupees during the first four months of 1865-66, and that further savings will probably accrue during the remainder of the year so as to cover the whole of the increased charge. He also says that even if there should be no surplus left, he will obtain the requisite sanction for adjusting the deficiency against savings under "18, Police," or any other grant in which there may be an adequate surplus. I have, therefore, the honor to request the permission of Government to give effect to their Order above referred to, from 1st November 1865.
