*Proceedings of the Madras Government, Revenue Department,
10th February 1865.*

No. 215. Read the following Proceedings of the Board of Revenue, dated 1st February 1865.

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Arcot, 24th January 1865, No. 19 :—

SIR,

I have the honor to submit transcript of a letter received from Mr. Willix, who farms some land in the Naggery valley, soliciting my assistance in procuring certain agricultural implements specified in the application. Mr. Willix has, I presume, counted the cost of the implements which he now asks for, and is prepared to pay for them on delivery; and as experiments such as this are precisely those that it is most desirable to encourage, I beg the Board's kind assistance in procuring for him what he now wants.

Resolved that the above letter be submitted to Government, with the Board's request that they may be permitted to supply Mr. Willix with two of the Drummond scythes at cost price. The Board are not yet aware at what price the ploughs can be made up at the Gun Carriage Manufactory.

No. 216. ORDER THEREON, 10th February 1865, No. 284.
