*Proceedings of the Madras Government, Revenue Department,
22nd November 1865.*

Read again letter from the Collector of Tanjore, dated 16th September 1865, No. 304, recorded in G. O. 27th October 1865, No. 2,635.

No. 383. Read also the following letter from the Collector of Tanjore, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Vellum, 7th November 1865, No. 1,231 :—

1. With reference to the Proceedings of Government, Revenue Department, dated 27th October 1865, No. 2,635, I have the honor to inform the Government, that I really know of no more useful mode of expending a part of the Local Funds of this District than on the two salt roads mentioned in my letter to the Board of Revenue, dated 16th September 1865, No. 304.

2. This conclusion I came to after a personal conference with Captain Oakes, the Superintending Engineer, who was so good as to meet me for the purpose of consulting how the surplus Local Funds should be expended.

3. I beg to add that my absence at Pudukottai has prevented my answering these Proceedings sooner.
