Read the following Proceedings of the Madras Government, dated 14th October 1865, No. 2,501, Revenue Department:—

ABSTRACT.—Forwarding, for the opinion of the Board of Revenue, an estimate from the Collector of Nellore, for the construction of the Alluru and Kavuragunta road.

The Board observe that it is of the highest importance to the Salt revenue that the Iskapally salt station should be united by a good road with Trunk Road No. VI., but Mr. Executive Engineer Smith gives good reasons for, in the first place, completing the short branch road proposed. The Board approve, therefore, of the plan and estimate. Funds should be provided for the work in the Collector's Local Fund Budget for 1865-66, should Government accord their sanction to it.
