*Proceedings of the Madras Government, Revenue Department,
23rd November 1865.*

No. 412. Read the following letter from the Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 18th November 1865, No. 1,504 :—

1. All the ghát forests of South Canara are now worked by this Department, and a fourth Overseer is urgently required to supervise with system the Talook of Condapoor, where there is a large and steady demand for timber, on account of the increase of boat and ship building. Near this seaport, five streams converge and afford remarkable facilities for water carriage from the adjoining forests. It is proposed to bring down Poon spars and other valuable woods, and for this purpose additional superintendence is necessary.

I have the honor, therefore, to request sanction for the appointment of a third class Overseer on a salary of Rupees 60, with travelling allowance at Rupees 15 per mensem.

2. The duties of the three Overseers now attached to this Range have increased much, and involve much travelling. I beg to solicit sanction for travelling allowance at the rate of Rupees 15 each, or 45 per mensem in the aggregate.

3. The receipts for the South Canara Range	
during the last year were	Rupees 21,182
Expenditure	„ 15,984
	Rupees 5,198

leaving a net revenue of more than Rupees 5,000, while a large stock of valuable timber was stored during the year.

4. I solicit sanction to enter the proposed expenditure in the Budget for 1866-67, to take effect from 1st May 1866.

No. 413. ORDER THEREON, 23rd November 1865, No. 2,875.
