*Proceedings of the Madras Government, Revenue Department,
23rd November 1865.*

No. 416. Read the following Proceedings of the Board of Revenue, dated 24th October 1865, No. 6,816.

Read Board's Proceedings, dated 28th August 1865, No. 5,254.
Read also the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 26th September 1865, No. 216 :—

1. With reference to the Board's Proceedings of the 28th ultimo, No. 5,254, I have the honor to state that Laul Meerja did not draw the allowance of Fuslies 1266 and 1267, sanctioned in the Board's Proceedings, dated 23rd September 1859. The individual appears to have allowed a further period of two years to elapse, after the receipt of the sanction, without claiming the allowances arrear or current; whereupon Mr. A. Purvis, late Collector, communicated in January 1862 his decision, that the allowance should be considered to have lapsed to Government.—*Vide* Rule 8, Chapter XX. of the Civil Auditor's Manual. The case was included in the Casualty Statement submitted to the late Civil Auditor on the 21st February 1862.

2. The commutation of Hyder Jan's share, referred to in paragraph 2 of the Board's Proceedings, was sanctioned in the Government Order, 18th February 1860, but the party did not avail himself of the permission. Up to his demise he received the allowance annually.

1. These two allowances, amounting to Rupees 61-9-8, being hereditary grants, and Government having ordered in paragraph 4 of Extract from Minutes of Consultation, dated 20th June 1848, that they should be "continued without further question," the Board authorize their continuance to Bademeya, eldest son of the late Hyder Jan, from the 10th July 1865, the date of the latter's demise, on the condition that he shares it with, or supports the remaining three members of the family entered in column 7 of the Tabular Statement contained in the Board's Proceedings above recorded.

2. These allowances having been originally granted in lieu of resumed lands, the share enjoyed by Laul Meerja, though considered to have lapsed by its having been left undrawn for more than four years, cannot, the Board presume, be considered to have finally escheated to Government so long as there are any heirs, and the Board have accordingly sanctioned its revival, together with the continuance of the remaining share in the name of Bademeya.

3. Resolved that these Proceedings be submitted for the confirmation of Government.

No. 417. ORDER THEREON, 23rd November 1865, No. 2,877.

Miscellaneous.

1. The continuance of the entire allowance Rupees 61-9-8 in the name of Badameya, as heir of his father and uncle, is approved and sanctioned. The Government, however, desire that the Collector will take steps for its commutation into land bearing an equivalent assessment.

2. The Government see no reason why the maintenance of the married sister Beema Sahiba, who lives with her husband, should be a charge on this allowance.

D. 1684. This allowance has been enjoyed on hereditary tenure.	Charity.	Hyder Jan, grandson to the original grantee, died on 9th July 1865. Descendant of the original grantee.	The grant was enjoyed by the deceased and his brother Laul Meerja in equal shares, viz., Rupees 30-12-10 each.	1. Bademeya, son, aged twenty-five years. 2. Amjee Saheb, son, aged fourteen years. 3. Laul Meerja's share lapsed to Government, the allowance not having been claimed for a length of time. The deceased enjoyed his share up to his demise. His family is reported to be in embarrassed circumstances owing to debts. It is recommended that the allowance may be sanctioned in the names of the deceased's two male heirs.

1. The Collector is requested to state when Laul Meerja's share lapsed to Government. The Board find that in their Proceedings, No. 3,817, dated 23rd September 1859, they sanctioned the payment of two years' arrears of the allowance in question to this Yeomiahdar.

2. With reference to Hyder Jan's share, the Government sanctioned its commutation in Government Order, No. 262, dated 18th February 1860, and if the sanction was not acted on at the time, the Collector should have said so in his present communication. He will be good enough to report on this point.
