Proceedings of the Madras Government, Revenue Department, 23rd November 1865.

No. 418. Read the following letter from the Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th November 1865, No. 466:—

I have the honor to annex extract of letter from Lieutenant Walker, Deputy Conservator, Salem, soliciting sanction for the expenditure of an amount not to exceed Rupees 200, for the erection of an office and wood store at Denkincottah. The Sandalwood has hitherto been stored in a small room adjoining the Cutcherry, but this is now found to be too small. It is proposed that the Overseer should occupy a room and keep his records in the same building. He has hitherto lived in the Chuttrum, but this was built for travellers, and is disallowed. The proposal meets with the approval of Captain Beddome and myself, and as funds are available in the local Budget, I trust it may be approved.

No. 419. ORDER THEREON, 23rd November 1865, No. 2,878.

Forests, No. 9.

The proposed charge of Rupees 200 is sanctioned.

Sir,

I have the honor to request that you will be pleased to obtain the necessary Sanction for erecting an Office & Store for Timber at Den Kincottah. That place is now the head Quarters of my Head Overseer Mr Guerizelar, as a great deal of work is always being carried on in connection with the Sandal wood felling, Collecting &c. The former Overseer used to carry on his work in the "Chattrum" but this has been prohibited by order of the Sub Collector. As it interfered with the Comfort of Travellers for whom it was built. A Store for wood is absolutely indispensable as although we have a Small Room in,
