*Proceedings of the Madras Government, Revenue Department,
23rd November 1865.*

No. 430. Read the following Proceedings of the Board of Revenue, dated 22nd September 1865, No. 5,917.

Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 12th August 1865, No. 166 :—

1. Referring to the Board's Miscellaneous Circular, No. XXXVIII., dated 9th May last, I have the honor to report that the Press of the Collectorate is so much engaged throughout the year, that I am of opinion that printing Selections here would interfere with the current work. I consider, therefore, that the suggestion of Government, to print them at Madras, is the most expedient course that can be adopted for the purpose.

2. I beg to propose for printing at present, should the Board see no objection, Mr. Wallace's letter as per margin ; this gives the full account of the Revenue administration of the District prior to

22nd January 1802.

its assumption by the British Government, and of the steps taken by him for putting the same in good order. I propose also that the correspondence, as per annexed list, be printed ; it furnishes the whole history relative to the Zemindaries in this District. These Selections will, in my opinion, prove very useful publications.

3. I am now without a Covenanted Assistant, Mr. Sharp having been appointed Acting Head Assistant to the Collector of Kurnool. The Magisterial file of Mr. Comyn, the Acting Head Assistant of this District, is very heavy. When an Assistant is appointed for this District in the room of Mr. Sharp, or when I can conveniently spare the services of any of my Deputies, I will cause further Selections to be made from the records, and submit the same to the Board.

Resolved that the accompanying list of papers selected be submitted to Government, and that sanction be requested for printing the papers. On the receipt of the Government Order, the Collector will be requested to transmit the papers to Madras.
