*Proceedings of the Madras Government, Revenue Department,  
24th November 1865.*

No. 440. Read the following letter from the Accountant General, to the Secretary to the Government of India, Financial Department, dated Fort Saint George, 16th November 1865, No. 3,173 :—

I have the honor to forward the Proceedings of the Madras Government marginally noted, in the matter of leave to V. Vurda Charry, Sheristadar of the Godavery District, and to request that I may be favored with the orders of

Government of India upon the following points in connection therewith :—

*First.*—Does an Uncovenanted servant, who after having been suspended as a punishment, is nominated at the expiry of that period to a permanent post, become entitled to all the privileges of the service (as to leave, joining time, and travelling allowance) by taking up an acting appointment to which he has been nominated either at his own request or irrespective thereof, without having first joined the permanent appointment.

*Second.*—Whether Vurda Charry under all the circumstances of his case, and taking into consideration the irregular leave obtained by him last year, is entitled to the leave and pay sanctioned by Government.

*Third.*—Whether considering the reason of Vurda Charry having remained at Trichinopoly, which apparently points to his immediate retirement from the service, he was eligible (assuming such to be the case) to more than fourteen days' leave, under paragraph 19 of the revised Uncovenanted Civil Service Rules?
