***Proceedings of the Madras Government, Revenue Department,
25th November 1865.***

No. 467. Read the following Proceedings of the Board of Revenue, dated 13th November 1865, No. 7,262.

Read the following letter from the Acting Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 18th October 1865, No. 197 :—

1. With reference to the Board's letter of the 18th July 1864, communicating the Order of Government, Revenue Department, No. 1,240, dated 14th July 1864, I have the honor to inform you that the canal is open to Nizampatam, and the communication complete. The traffic as yet is not sufficient to affect the ferry receipts on the Kistna at Bezwada, and probably will not be for years.

2. I would, therefore, recommend that the Ferry at Bezwada be rented out in the same manner as the ferries in other places. The rent should be limited to one year; so that if the canal traffic affected the ferry fees, the renter would not be a very great loser, or for any lengthened period.

1. Submitted for the consideration and orders of Government, with reference to Government Order, 14th July 1864, No. 1,240.

2. The Board think that there is no objection to the experiment being tried, and they recommend that the Acting Collector be authorized to call for tenders for the ferry rent for the period of one year. If this is sanctioned, it will be necessary that Mr. Chase should furnish the particulars referred to in Board's Proceedings, dated 30th November 1863, No. 7,538, before any steps are actually taken to put up the rent to competition. A draft advertisement should be submitted for the Board's consideration.

No. 468.

ORDER THEREON, 25th November 1865, No. 2,903.

Local Funds, No. 20.

Accounts.

The Board's recommendation in paragraph 2 is approved, on the understanding that the Ferry farmer will have no power of interference with the canal boats or traffic.
