MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Adjutant General, Head Quarters, Simla, 5th October 1865, No. 933E;
to the Secretary to the Government of India, Military Department.

The enclosed copy of a Circular, about being issued by the Commander-in-Chief, is submitted for the information of Government, and His Excellency ventures to suggest, that Civil Officers be asked to co-operate by availing themselves of opportunities occurring of Military stores proceeding under Escort, instead of making fresh demands on account of Civil purposes.

CIRCULAR.

MEMORANDUM.

His Excellency the Commander-in-Chief having had before him the Military Escort return of the second quarter of the current year, observes that it not unfrequently happens that guards of Native Troops are despatched on Escort duty from Military stations at very brief intervals in the same direction.

2. In future, to prevent the Troops being unnecessarily harassed with this duty, and at the same time to give Departments and Regiments every facility for despatching consignments of stores, whenever such a course is practicable, the intended departure and destination of every Escort will be notified in Station Orders, for the information of Departmental and Regimental Officers, at least a day or two previously. Officers concerned will then be enabled to avail themselves of the opportunity thus afforded of sending away such stores as do not require a special Escort for their safe transit.

3. That with the same object return guards may be utilized to the utmost extent, the Staff Officer of the station from which any party marches will invariably send to the Staff Officer of the next Military station to which the guard is proceeding, and where it will be relieved if possible, a notice to this effect, in order that sufficient time may be afforded for any return stores to be collected and in readiness for despatch by the time the guard arrives—the same being done from station to station as the guard proceeds on its march.

4. His Excellency invites the co-operation of Departmental Officers in this important matter, and trusts that they will endeavour, as far as is in their power, to limit the number of their despatches, and obviate the necessity of frequent calls for Military Escorts, which are often unnecessary.

(By order.)

(Signed) E. HAYTHORNE, Colonel,
Adjutant General.

From the Officiating Deputy Secretary to the Government of India, Military Department, Fort William, 23rd October 1865, No. 672; to the Adjutant General.

With reference to your memorandum, No. 933E of the 5th instant, I am directed to acquaint you, for the information of the Commander-in-Chief, that Government approves of His Excellency's suggestion therein contained, and that the necessary communication will be made to the local Governments and administrations, &c.

2. But it will be necessary that on each occasion, either a copy of the order, or some other intimation of the intended despatch of the Escort, be sent to the Civil Authorities.

MILITARY DEPARTMENT, THE 23RD OF OCTOBER 1865.
No. 673.

Copy of the above forwarded to the Secretary to Government, Fort Saint George, Military Department, for the information of His Excellency the Governor in Council.

By Order,
