*Proceedings of the Madras Government, Revenue Department,
27th November 1865.*

No. 517. Read the following Proceedings of the Board of Revenue, dated 17th November 1865, No. 7,361.

Read the following letter from the Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 25th October 1865, No. 291 :—

1. With reference to the Board's Proceedings, No.—, dated 23th June last, I have the honor to report that the floor of the Melur Talook Cutcherry was first paved with brick, and then plastered over with chunam. The chunam having in several places worn away, and the floor being in consequence uneven, I consider the execution of the work, provided for by the estimate, to be absolutely necessary. I have myself seen the floor, it is so uneven that the Gumashtas cannot conveniently sit down on it.

2. The estimate which accompanied the Board's Proceedings under reply, is herewith returned.

ENCLOSURE No. 1.—Estimate.

Submitted for the information and orders of Government, with reference to their orders quoted by the Collector.

No. 518. ORDER THEREON, 27th November 1865, No. 2,924.

Miscellaneous.

1. The proposed work is approved under the circumstances stated by the Collector.

2. It will be considered in the Department Public Works whether the cost can be reduced, and whether the "old fort stone" is the most suitable material for the purpose.
