*Proceedings of the Madras Government, Revenue Department,
28th November 1865.*

Read the following papers:—

No. 558. Read the following Proceedings of the Board of Revenue, dated 20th November 1865.

Read letter from the Collector of Madras, dated 8th November 1865, No. 363.

1. The Board observe that the Collecting Establishment was sanctioned up to 30th of the present month in Government Order, dated 26th December 1864, No. 2,325. The letter now recorded will be submitted to Government, with the Board's recommendation that the Establishment be sanctioned up to the 31st March, as proposed by Mr. Fane.

2. The Board have ascertained that the actual arrears to be collected, including the last year's assessment and the outstanding balance of preceding years, amounted on the 1st instant, to Rupees 81,322, as shewn in a statement submitted to Government on the 14th instant by the President of the Income Tax Commission. The Collector has apparently included in his statement of arrears, cancelled assessment, and sums to be written off under sanction.

3. With reference to paragraph 3 of Mr. Fane's letter, the Board are informed that the cases of assessments not finished were sixteen in number. These cases, which were reserved for inquiry, have now been disposed of. Their aggregate amount was only Rupees 947. The bills delayed are, it appears, about twenty in number. These are also so small in their total amount as to form a very insignificant proportion of the balance which the Deputy Collector is employed in collecting. And as to further revisions and cancellations, the Board observe that such work cannot be brought completely to a close, while collections are still being made; but that nothing of this kind yet to be done would make it necessary for the Collector to continue the Collecting Establishment when once the bulk of the arrears outstanding had been got in. It is the Collector's duty to see that these arrears are realized as speedily as possible, and no part of the remaining work in the Income Tax Office can interfere to prevent his collecting them.

Referred to the Accountant General for report, whether the Budget provision will admit of the proposed prolongation of charge.

(Signed) W. HUDLESTON,

20th November 1865.

Acting Secretary to Government.

No. 559. From the Accountant General to the Government of Madras, to the Acting Secretary to the Government, Revenue, Department, dated Fort Saint George, 22nd November 1865, No. 179.

With reference to your Endorsement of the 20th instant, on the Proceedings of the Board of Revenue of the same date, No. 3,325, I have the honor to inform you, that the Budget provision under "7, Income Tax" for the current year is not sufficient to bear the extra charge of maintaining the Income Tax Establishment for the Town of Madras up to the end of March next; but the charge may be met from general savings under "20, Education, Science, and Art," and the sanction of the Government of India for the transfer of the amount from the former to the latter head of account, should therefore be obtained.

Proceedings of the Madras Government, Revenue Department,

No. 560.

ORDER THEREON, 28th November 1865, No. 2,944.

Miscellaneous.

1. As the continued employment of the temporary Establishment to the end of March next is recommended by the Board as really necessary, and as the Government are aware that the Collector's Quit-rent Department have considerable difficulty in performing their own work, the Government sanction the retention of the temporary Establishment as proposed, and request the Accountant General to make the necessary application to the Supreme Government for the transfer of funds.

2. The amount required is nowhere stated in the papers.

N^o. 363.

From,

E. G. R. Lane Esq^r

Collector of the Madras District

To,

P. A. Dalzell Esq^r

Acting Secretary to the Board of Revenue.

Madras.

Sir,

I have the honor to request that you will obtain the sanction of Government for continuing the Income Tax Establishment for the Town of Madras up to the end of March next.

2. The Board in their Miscellaneous Circular N^o. XCVI of 28th July 1865 ordered the discontinuance of the Income Tax Establishment from 1st October 1865. But as the Deputy Collector of Madras was under the impression that this order did not apply to the Town and that its Budget provision extended up to the end of this month, he did not apply earlier for the continuance of the Establishment.

Yrs

3. Its continuance is absolutely in-
dispensable as the Commissioners have not as
yet finished their assessments. The Deputy
Collector is still receiving from them accounts of
revisions and cancellations, and they have not
yet passed final orders on a number of Billes,
the Collections upon which appears to have been
stopped under their special instructions.

4. As I believe their Establishment has
been continued by Government on a special recom-
mendation, and as there is an arrear of nearly ⁺
100,000 Rupees which has still to be collected I ⁺ Rs 370-9-4 of 1861/62
beg that sanction may be obtained for continuing ^{18081-11-9 of 1862/63}
the present Establishment at Rupees 249 per ^{33771-7-10 of 1863/64}
menssem, from October 1865 till the end of ^{48215-7-5 of 1865}
March 1866, or 3 months only beyond the close
of the work at the Commissioners' Office.
