Proceedings of the Madras Government, Revenue Department,
23th November 1865.

No. 578. Read the following Proceedings of the Board of Revenue, dated 17th November 1865, No. 7,347.

Read the following letter from the Collector of Madras, to the Acting Secretary to the Board of Revenue, dated Sydapet, 27th October 1865, No. 342 :—

1. With reference to the Board's Proceedings, dated the 21st March last, No. 1,573, requesting me to get made and sent to the Museum at Madras models of certain agricultural implements, or so many of them as might be in use in this District, I have the honor to state that I lately visited the Museum, and found that they had there already specimens of most if not all of the implements in question. Captain Mitchell, the Conservator of the Museum, also informed me that if more agricultural implements were sent he could not receive them, having no room for them.

2. If the Board still wish to have the implements, I can get them made at a cost of Rupees 330, and if they should finally decide upon having them, I beg they will instruct me as to the source from which the expenditure is to be met, as nothing was said on that point in the Board's Proceedings.

---

1. Submitted to Government, with reference to their Order, under date 7th March 1865, No. 485.

2. As it appears that specimens of the implements, which are in use in the Madras District, are already in the Museum, and that no more space is available, the Board think that it is not desirable to have any more implements made up at present.

No. 579. ORDER THEREON, 28th November 1865, No. 2,954.

Miscellaneous.

The Government concur with the Board.
