*Proceedings of the Madras Government; Revenue Department,
28th November 1865.*

No. 594. Read the following Proceedings of the Board of Revenue, dated 17th November 1865.

Read the following letter from the Controller of Public Works Accounts, to the Secretary to the Board of Revenue, dated Madras, 11th November 1865, No. 1,989:—

With reference to the Proceedings of the Board, No. 6,700, dated the 21st October 1865, a copy of which has been communicated to this office, I have the honor to request that you will be good enough to state whether the sanction accorded therein for a transfer of Rupees 400 from Repairs to New Works, is subject to the approval of Government, and if not, that you will favor me with

a copy of the orders of Government vesting the power in the Board to make such* transfers. For imperial works all transfers between main heads are

made by the Local Government, subject to the approval of the Government of India.

The Board are of opinion that as the general control and audit of Local Fund charges has been entrusted to them by Government, they are competent to sanction transfers from the head "Repairs" to that of "New Works." The orders of Government will, however, now be requested on the point.

No. 595. ORDER THEREON, 28th November 1865, No. 2,962.

Local Funds, No. 24.

Civil Works.

The Government confirm the Board's sanction in the present case, but consider that the Local Fund Budget allotment for "Repairs," which has been approved by Government, should not be appropriated for "New Works" without their approval.
